## BELGRADE-ZAGREB HIGHWAY READY FOR TRAFFIC SOON

Politika, No 13584, 19 Jun 50 Verkehr, No 8, 23 Feb 50

The workers of the Belgrade-Zagreb highway pledged to complete the highway before 21 July 1950, by which date it is scheduled to be open for traffic. The highway will permit a maximum speed of 150 kilometers per hour, making it possible to cover the distance between Belgrade and Zagreb in approximately 3 hours. The highway has an over-all width of 12 meters and its vehicle track is 9 meters wide. It has a capacity of 9,000 vehicles, which is considered adequate for the country's economic needs.
